

Africa Digital Campus Project

Tuesday, 24 May 2022 10:25 (20 minutes)

The Africa Digital Campus (ADC) project was launched on March 24, 2022, at the Virtual University of Burkina Faso. Conducted in partnership with the French Development Agency (AFD), the Institute of Research for Development (IRD), and the West and Central African Research and Education Network (WACREN), with the support of the European Union, the project will strengthen cooperation in distance education and network infrastructure in Africa working with Open Science actors to build online training capabilities in their various communities.
