

# UNESCO Keynote on Advancing Open Science in The Gambia

*Monday, 23 March 2026 09:25 (20 minutes)*

This keynote will share perspectives on the UNESCO Open Science Recommendation and The Gambia's ongoing work to put it into practice. The session will provide a lens on policy adoption, capacity building, and the role of national stakeholders in advancing open science across Africa.

**Presenter:** SIDIBEH, Maimuna (Gambia National Commission for UNESCO)

**Session Classification:** Opening Session
