

Survey on Librarians' Capabilities for Open Access Repository Development in the Higher Education Sector: Results from the East and Southern African Regions

Thursday, 14 March 2019 12:30 (18 minutes)

Results of the survey of the Ubuntunet Alliance countries as part of the three regional LIBSENSE workshops aimed at capturing a landscape view of librarians' roles in managing/operating Open Access repositories in Africa.

The results of these surveys and the discussions emerging from the workshops will, together, form the basis for a framework of key policy and capacity building actions and agreements on principles and requirements for the federation of Open Access repositories across the African regions
