IGF IGF

@intgovforum

The deadline for IGF stocktaking is now EXTENDED to Monday 21 January! Share your thoughts on #IGF2018 / #IGF2019 and how the IGF should respond to recommendations made by UN Secretary-General @antonioguterres and President

Role of Youth in IG

- Make up a large percentage of internet users - Millennials and Generation Z
- Contribute to creation of online content
- Sustainability of the network by making young people awareness of the opportunities the web affords as well as its limitations and specific characteristics.
- Use of the Internet as a tool for development, justice and social change in communities
